

HOW TO CREATE/LIST AN AD

hoo-haz

HOW TO CREATE/LIST AN ITEM TO RENT OUT

STEP 1

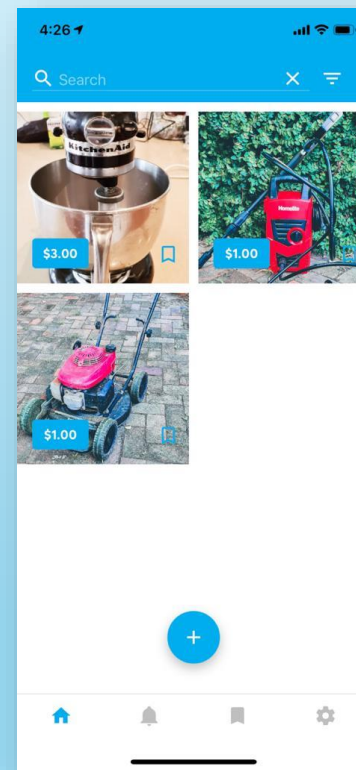

Select the “+” button on your Home screen.

STEP 2

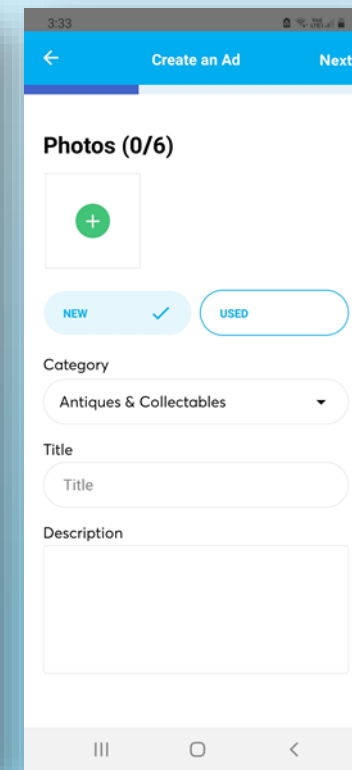

Select the green “+” button to load a photo

STEP 3

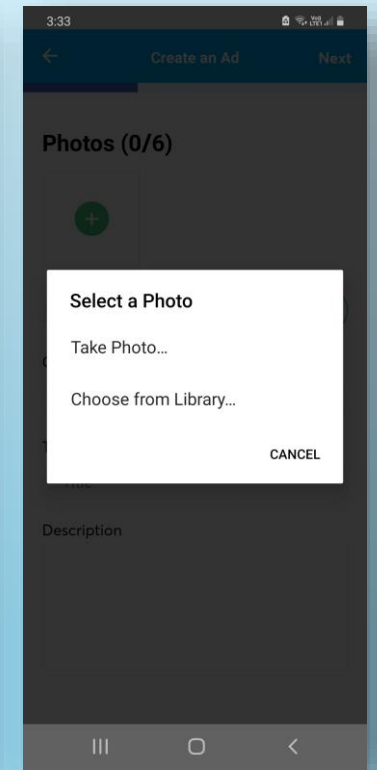

Take a new photo or choose a photo from your photo library. Hoo-haz recommends using a filter to improve your photos as the more appealing your photos are the higher the chance of an enquiry to rent your item.

3

HOW TO CREATE/LIST AN ITEM TO RENT OUT

STEP 4

Select if your item is “New” or “Used”

STEP 5

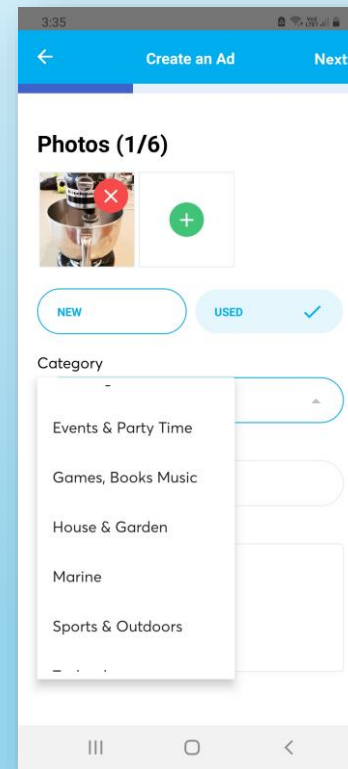

Choose a “Category” which best describes your item

STEP 6

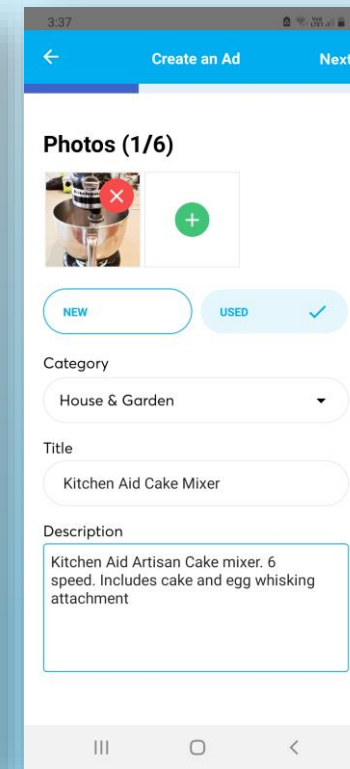

Enter a “Title” which best describes your item

STEP 7

Enter a further “Description” which provides renters with useful information about your item

4 & 5

6 & 7

HOW TO CREATE/LIST AN ITEM TO RENT OUT

STEP 8

Select the relevant “Currency”. Currently only AUD

STEP 9

Enter a Price per hour, day and week.

STEP 10

Enter the address where you would like the item to be picked up from. This will default to your home address unless changed.

Please note: the address will only be revealed to the Renter once you have agreed to rent the item to that particular Renter.
